Foreword

This amendment to ETS 300 487 (1997) has been produced by the Satellite Earth Stations and Systems (SES) Technical Committee of the European Telecommunications Standards Institute (ETSI).

This amendment has been produced by ETSI in response to a mandate from the European Commission issued under Council Directive 83/189/EEC (as amended) laying down a procedure for the provision of information in the field of technical standards and regulations.

ETS 300 487, as amended, together with ETS 300 830 is intended to become a Harmonized Standard, the reference of which will be published in the Official Journal of the European Communities referencing the Council Directive on the approximation of the laws of the Member States relating to electromagnetic compatibility (the "EMC Directive") (89/336/EEC as amended).

Transposition dates	
Date of adoption of this amendment:	7 November 1997
Date of latest announcement of this amendment (doa):	28 February 1997
Date of latest publication or endorsement of this amendment (dop/e):	31 August 1997
Date of withdrawal of any conflicting National Standard (dow):	31 August 1997

Amendments

Foreword

Replace the first paragraph with the following:

This European Telecommunication Standard (ETS) has been prepared by the Satellite Earth Stations and Systems (SES) Technical Committee of the European Telecommunications Standards Institute (ETSI).

This ETS has been produced by ETSI in response to a mandate from the European Commission issued under Council Directive 83/189/EEC (as amended) laying down a procedure for the provision of information in the field of technical standards and regulations.

This ETS, together with ET 30 830, is intended to become a Harmonized Standard, the reference of which will be published in the Official Journal of the European Communities referencing the Council Directive on the approximation of the laws of the Member States relating to electromagnetic compatibility (the "EMC Directive") (89/336/EEC as amended).

Insert after the last paragraph:

The technical specifications relevant to the EMC Directive are listed in annex C.

Add new annex C:

Annex C (normative): Subclauses of this ETS relevant for compliance with the essential requirements of relevant EC Council Directives

Table C.1: Subclauses of this ETS relevant for compliance with the essential requirements of relevant EC Council Directives

Clause/subclause number and title		Corresponding article of Council Directive 89/336/EEC	Qualifying remarks
5	RF emission limits	4(a)
