ETS 300 460 May 1996/prA1: November 1997

#### **Foreword**

This amendment to ETS 300 460 (1996) has been produced by the Satellite Earth Stations and Systems (SES) Technical Committee of the European Telecommunications Standards Institute (ETSI).

This amendment has been produced by ETSI in response to a mandate from the European Commission issued under Council Directive 83/189/EEC (as amended) laying down a procedure for the provision of information in the field of technical standards and regulations.

ETS 300 460, as amended by this amendment, together with ETS 300 829 is intended to become a Harmonized Standard, the reference of which will be published in the Official Journal of the European Communities referencing the Council Directive on the approximation of the laws of the Member States relating to electromagnetic compatibility (the "EMC Directive") (89/336/EEC as amended).

Transposition dates			
Date of adoption of this amendment:	7 November 1997		
Date of latest announcement of this amendment (doa):	28 February 1997		
Date of latest publication or endorsement of this amendment (dop/e):	31 August 1997		
Date of withdrawal of any conflicting National Standard (dow):	31 August 1997		

ETS 300 460 May 1996/prA1: November 1997

#### **Amendments**

#### **Foreword**

Replace the first paragraph with the following:

This European Telecommunication Standard (ETS) has been prepared by the Satellite Earth Stations and Systems (SES) Technical Committee of the European Telecommunications Standards Institute (ETSI).

This ETS has been produced by ETSI in response to a mandate from the European Commission issued under Council Directive 83/189/EEC (as amended) laying down a procedure for the provision of information in the field of technical standards and regulations.

This ETS together with ETS 300 829 is intended to become a Harmonized Standard, the reference of which will be published in the Official Journal of the European Communities referencing the Council Directive on the approximation of the laws of the Member States relating to electromagnetic compatibility (the "EMC Directive") (89/336/EEC as amended).

*Insert after the last paragraph:* 

The technical specifications relevant to the EMC Directive are listed in annex D.

Insert between Annex C and History:

Annex D (normative): Subclauses of this ETS relevant for compliance with

the essential requirements of relevant EC Council

**Directives** 

Table D.1: Subclauses of this ETS relevant for compliance with the essential requirements of relevant EC Council Directives

	Clause/subclause number and title	Corresponding article of Council Directive 89/336/EEC	Qualifying remarks
8.2	Unwanted emissions outside the band 1 626,5 MHz to 1 645,5 MHz	4 (a)	For unwanted emissions below 960 MHz
6.2	Power supply	4 (b)	Relates to IMO SOLAS convention
