Foreword

This draft amendment to ETS 300 487 (1997) has been produced by the Radio Equipment and Systems (RES) Technical Committee of the European Telecommunications Standards Institute (ETSI), and is now submitted for the Public Enquiry phase of the ETSI standards approval procedure.

This amendment has been produced by ETSI in response to a mandate from the European Commission issued under Council Directive 83/189/EEC (as amended) laying down a procedure for the provision of information in the field of technical standards and regulations.

ETS 300 487, as amended, together with ETS 300 830 is intended to become a Harmonized Standard, the reference of which will be published in the Official Journal of the European Communities referencing the Council Directive on the approximation of the laws of the Member States relating to electromagnetic compatibility ("the EMC Directive") (89/336/EEC as amended).

Proposed transposition dates					
Date of latest announcement of this amendment (doa):	3 months after ETSI publication				
Date of latest publication or endorsement of this amendment (dop/e):	6 months after doa				
Date of withdrawal of any conflicting National Standard (dow):	6 months after doa

Amendments

Foreword

Replace the first paragraph with the following:

This European Telecommunication Standard (ETS) has been prepared by the Satellite Earth Stations and Systems (SES) Technical Committee of the European Telecommunications Standards Institute (ETSI).

This ETS has been produced by ETSI in response to a mandate from the European Commission issued under Council Directive 83/189/EEC (as amended) laying down a procedure for the provision of information in the field of technical standards and regulations.

This ETS, together with ETS 300 830, is intended to become a Harmonized Standard, the reference of which will be published in the Official Journal of the European Communities referencing the Council Directive on the approximation of the laws of the Member States relating to electromagnetic compatibility ("the EMC Directive") (89/336/EEC as amended).

Insert after the last paragraph:

The technical specifications relevant to the EMC Directive are listed in Annex C.

Add new annex C:

Annex C (normative): Subclauses of this ETS relevant for compliance with

the essential requirements of relevant EC Council

Directives
