Intellectual Property Rights

IPRs essential or potentially essential to the present document may have been declared to ETSI. The information pertaining to these essential IPRs, if any, is publicly available for **ETSI members and non-members**, and can be found in ETSI SR 000 314: *"Intellectual Property Rights (IPRs); Essential, or potentially Essential, IPRs notified to ETSI in respect of ETSI standards"*, which is available from the ETSI Secretariat. Latest updates are available on the ETSI Web server (<http://www.etsi.org/ipr>).

Pursuant to the ETSI IPR Policy, no investigation, including IPR searches, has been carried out by ETSI. No guarantee can be given as to the existence of other IPRs not referenced in ETSI SR 000 314 (or the updates on the ETSI Web server) which are, or may be, or may become, essential to the present document.

Foreword

This Technical Report (TR) has been produced by ETSI Technical Committee Electromagnetic compatibility and Radio spectrum Matters (ERM).

1 Scope

The present document is accompanied by a compressed archive containing a pro-forma for systems reference document which is intended to be used as the basis for co-operation with the European Radiocommunications Committee (ERC) of the European Conference of Post and Telecommunications Administrations (CEPT), under the Memorandum of Understanding between ERC and ETSI.

The present document is applicable to all Technical Bodies producing standards affecting radio frequencies in the sense of the international Radio Regulations.

Copyright release

Notwithstanding the provisions of the copyright clause related to the text of the present document, ETSI grants that users of the present document may freely reproduce the pro-forma in the present document so that it can be used for its intended purposes.

Guidance note to rapporteurs: Guidance notes like this one appear through this proforma; they are provided for guidance only and should be deleted from your document before publication (including this one).

Guidance note: Text marked <.....> is text which is optional. It may be used as is, modified or deleted as required. In any event, the arrow head brackets should be deleted from your document before publication

Proforma
