

ETSI FELLOWSHIP PROGRAMME

The call for nominations for the prestigious ETSI Fellowship awards is now open!

Established in 2015, the ETSI Fellowship Programme rewards and honours those individuals who have made an outstanding personal contribution to ETSI, helping to build ETSI's work or enhancing its reputation in specific standardisation sectors.

This programme has **broad visibility** through:

- a wide communication campaign before and after the ceremony,
- a high-profile awards ceremony,
- a prestigious award,
- and a display of fellows within the ETSI premises.

Who is eligible for an ETSI Fellowship?

Individuals from the following categories are eligible for nomination:

- current or former participants in ETSI's Partnership Projects (not necessarily representatives of members),
- current or former representatives of Partners or Counsellors,
- former members of the ETSI Secretariat.

Nominees do not need to have held an official position in ETSI.

An ETSI Fellowship may also be awarded posthumously.

Call for nominations
