

# Brand Guidelines for ETSI Member Logo use

# ETSI MEMBER | Logo Usage Guidelines

**Dear ETSI Member,**

**I am pleased to announce the availability of the ETSI Member logo**, created to help you visually demonstrate your membership and involvement in ETSI.

ETSI has over 900 member organisations from more than 60 countries across five continents and we are delighted to count you among them. ETSI members are the driving force that enables ETSI to publish world-class ICT standards.

We are proud of our members and their standards-making contributions, and we are confident that our members are proud to be an ETSI member.

**Many of our members have expressed their desire to visually demonstrate their ETSI Membership and the fact that you adhere to ETSI standards, be it on your website, on print collateral or on your exhibition booth.**

To enable our members to show their engagement and pride in ETSI, we have created a dedicated 'ETSI Member' logo. This 'ETSI Member' logo is derived from the official ETSI logo and allows you to easily and clearly declare that your organisation is an integral part of ETSI: an ETSI Member.

The 'ETSI Member' logo really is a 'limited edition', as it can be used by no more than around 900 organisations, i.e. it is to be used exclusively by our members.

Demonstrate to the outside world your commitment to and involvement in ICT standards-making by displaying the ETSI Member logo:

**Please choose one of the following alternatives that best matches your needs:**

- **Request a high resolution version of the 'ETSI Member' logo** to integrate it in your stand design.
- **Request a physical 'ETSI Member' plaque** that you can either stick to a wall or display freestanding on your reception desk or any other surface you deem suitable. The 'ETSI Member' plaque is a foam board of 25x10cm (w x h) that comes with double-sided tape and a board stand so you can choose how to best display it.

**Please pass this information on** to your colleagues in charge of Marketing/ Communications/Events or directly request the 'ETSI Member' logo from our Branding department: **branding@etsi.org**

We are happy to answer any questions you may have and provide guidance where needed.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'JE' followed by a stylized flourish.

**Jan Ellsberger**  
**ETSI Director-General**

## Logo colours

The ETSI brand is recognized worldwide.

Consistency in the representation of our visual identity and in all communications reflects our corporate identity.

## PROCESS

■ Dark blue: 100c 68m 0y 23k

■ Light blue: 89c 43m 0y 0k

■ Light blue: 35c 9m 0y 0k

## PANTONE

■ Dark blue: 288

■ Light blue: 285

■ Light blue: 283

## RGB

■ Dark blue: 0R 74G 141B

■ Light blue: 0R 125G 195B

■ Light blue: 160R 203G 237B

## Clear space around the logotype

The logotype always looks best when it has a large area of clear space around it.

In order to achieve this, a minimum clear space surrounding the logotype has been defined.

**The clear space in the example on the right is marked in grey and it will always be with proportion to the ETSI typeface height.**

This space must stay clear without any type, graphic elements and high-contrast areas of photography.

## Minimum size

As the ETSI Member logo must be easily recognized to be effective, the primary logotype should not be reproduced smaller than 45mm.
