

## Accommodation & Transport - Preferential Rates for ETSI Visitors in 2021

This document provides you with information on:

- our negotiated preferential rates for ETSI Delegates and Experts with selected hotels and apart' hotels in the area
- transport options, including public transport by bus, car rental and taxis.

This year due to the pandemic, many hotels are closed. As the situation evolves, this list will be regularly updated but remains subject to further change.

For your health and safety, the hotels selected from this list have introduced specific measures using COVID-19 hygiene protocols.

Should you find that information is no longer correct, we would welcome your feedback. Please send your comments to [meetings@etsi.org](mailto:meetings@etsi.org)

How to benefit from ETSI preferential rates

## To benefit from preferential rates please:

### ***Always mention ETSI upon your reservation:***

- **Contact** the hotel or apart hotel to check availability;
- **Make** all reservations in your own name, **directly with the hotel or apart hotel**
- **Do not use** intermediary (e.g. travel agency or airline company internet booking);
- **Fill in** the "Hotel booking form" and send it back to the hotel of your choice;
- **Check** that the room rates correspond to those negotiated by ETSI as displayed in the list.

**NOTE: The ETSI negotiated rates may not apply during high season and for special events period.**

**All rates** are inclusive of VAT.

There is also a tourist tax applicable in some hotels.

## Cancellation Policy:

Should you need to cancel your booking, please

- **inform** the hotel or apart hotel by phone or by email as soon as possible and at least 24 hours in advance;
- **keep** your cancellation registration number for future reference.

**Please note that the ETSI Secretariat is not able to make reservations on your behalf and cannot be held responsible for any cancellations or "no shows". ETSI is not responsible for any no show or cancellation fees if applicable.**

## A word of advice

The Sophia Antipolis area has been developed with a high regard for the environment. On rainy days, journeys from the local hotels to ETSI's premises can be rather uncomfortable for walkers as the roads may be slippery.

## Preferential Hotel Rates for ETSI Delegates and Experts

**Note that these negotiated rates only apply when reservations are made directly with the hotel.  
Please see for cancellation policy upon booking.**
