

FELLOWSHIP PROGRAMME

The Call for Nominations to the ETSI prestigious Fellowship awards is now open!

The ETSI Fellowship Programme was established to honour and reward those individuals who have made an outstanding personal contribution to ETSI, to building the work of ETSI, or raising its reputation in specific sectors of standardization.

This year we have decided to give a bit more relevance to the programme in order to enhance the value and recognition of the award through:

- A wider communication campaign before, during and after the ceremony
- A higher profile ceremony
- A prestigious award

Who is eligible for an ETSI Fellowship?

Individuals of the following categories are eligible for nomination:

- Current or former participants in ETSI work (representatives of current or former members)
- Current or former participants in ETSI's Partnership Projects (not necessarily representatives of members)
- Current or former representatives of Partners or Counsellors
- Former members of the ETSI Secretariat

Nominees do not need to have held an official position at ETSI. An ETSI Fellowship may be awarded posthumously.

Nomination of candidates

Any individual representative of a Member, with the exception of the members of the Awards Committee, may propose a candidate for Fellowship. A candidate shall be nominated by at least two individuals from different ETSI Members in order to be eligible for an award.

Criteria

The award recognizes an outstanding contribution to ETSI and is given to an individual whose dedication to ETSI is well known.

Call for Nomination

Although nominations may be made at any time, ETSI Fellowship awards are announced at the spring General Assembly each year. In order to be considered for an award at GA#77, nominations should be received before 22 January 2021.

Nominations shall be made in writing and shall justify clearly why the nominated candidate should be granted an ETSI Fellowship. Nominations shall be sent to the ETSI Director-General using the application form available on our website.
