Important:

If the company name in the signer's e-mail address does not match the name of the company making the request, the request will not be considered as valid and it will be impossible to finalize the order.

Please also be reminded that the business email address will be used to send the codes and since this is automatic, no request to send to a secondary address will be taken into account.

The CRUU web form is now duly completed

1. SIGN the electronic "CRUU web form".
2. SEND it.
3. You will receive an e-mail, asking you to CONFIRM your e-mail address.

NOTE: e-mails are sent by **Adobe Sign** (echosign@echosign.com or adobesign@adobesign.com).

- ✓ If these e-mails are not received, please check **the junk/spam folder** of the server or e-mail address mailbox.

When the e-mail address has been confirmed, the ETSI Secretariat will automatically receive your order.

[ETSI GSM 02.00 (SMS) Service Description (Stage 1)]

Thank you for signing Algorithms_CRUU_Web_Form. To complete the process, you just need to confirm your address using the link below. It will only take a few seconds.

[Confirm my email address](#)

After you confirm your signature and participants have fulfilled their roles, you will receive a completed copy of Algorithms_CRUU_Web_Form as a PDF.

IMPORTANT

Please beware that filling in the "CRUU web form" is an indispensable process in order to obtain the code and is independent from the payment.

You will only receive the CRUU **at the final stage**, when countersigned by an ETSI representative.

How to pay?

The administrative charge is €200 for each code ordered and 2000€ for each algorithm ordered. Payment can be done with the following methods:

- ✓ by credit card accepted by a payment service when the request is made online via the [ETSI WEBstore](#);
- ✓ by wire transfer to the bank account as designated in ETSI's invoice within thirty (30) days after issuing of the said invoice by ETSI. Please contact us (algorithms@etsi.org) to obtain the proforma invoice.

IMPORTANT: If you require an invoice with your PO number, please send us this information as soon as possible in order to speed up the process.

For a faster service, we recommend a payment via [ETSI WEBstore](#).

Once the payment is received, the "CRUU web form" will be digitally countersigned by a duly authorized ETSI representative. You will then receive an e-mail from "Adobe Sign" with the CRUU web form containing the code(s)/algorithm(s) on the final page.

Thank you for your attention. Any further questions?
