

# Order with a secure electronic process

First of all, CLICK/SELECT the PRODUCT you wish to order and FILL IN the details of the web form (CRUU).

- **CODES**: DECT™ EIC or EMC or POC or FAC or DMR, or TETRA Location System Coding or proprietary AT command name family, proprietary element owner or SDS-TL protocol identifier.
- **ALGORITHMS**: possibility to select one of the following codes TETRA™ TEA1 or TEA3 or TEA4 or TAA1 or GEA2 or GIA4 or GEA5/GIA5 or UEA1/UIA1.
- A5/3 GEA3 algorithm
- A5/A GEA4 algorithm
- EEA3 & EIA3 algorithm (see note)
- UEA2 & UIA2 algorithm

**NOTE:** *Customers must obtain a separate [IPR Licence Agreement](#) from DACAS China.*

*In case of difficulties to register online for the free IPR licence for EEA3 & EIA3 algorithms, the temporary procedure to obtain the free IPR licence is for the Beneficiary (customer) to provide to DACAS a copy of their countersigned ETSI CRUU (Confidential Usage Undertaking form).*

### Important:

If the company name in the signer's e-mail address does not match the name of the company making the request, the request will not be considered as valid and it will be impossible to finalize the order.

Please also be reminded that the business email address will be used to send the codes and since this is automatic, no request to send to a secondary address will be taken into account.

# The CRUU web form is now duly completed

1. SIGN the electronic "CRUU web form".
2. SEND it.
3. You will receive an e-mail, asking you to CONFIRM your e-mail address.

**NOTE:** e-mails are sent by **Adobe Sign** (echosign@echosign.com or adobesign@adobesign.com).

- ✓ If these e-mails are not received, please check **the junk/spam folder** of the server or e-mail address mailbox.

When the e-mail address has been confirmed, the ETSI Secretariat will automatically receive your order.

[ETSI GEM-00-00 (P)MS Service Description (Stage 1)]

Thank you for signing Algorithms\_CRUU\_Web\_Form. To complete the process, you just need to confirm your address using the link below. It will only take a few seconds.

[Confirm my email address](#)

After you confirm your signature and participants have fulfilled their roles, you will receive a completed copy of Algorithms\_CRUU\_Web\_Form as a PDF.

## IMPORTANT

Please beware that filling in the "CRUU web form" is an indispensable process in order to obtain the code and is independent from the payment.

You will only receive the CRUU **at the final stage**, when countersigned by an ETSI representative.

# How to pay?

---

The administrative charge is €150 for each code ordered and 2000€ for each algorithm ordered. Payment can be done with the following methods:

- ✓ by credit card accepted by a payment service when the request is made online via the [ETSI WEBstore](#);
- ✓ by wire transfer to the bank account as designated in ETSI's invoice within thirty (30) days after issuing of the said invoice by ETSI. Please contact us ([algorithms@etsi.org](mailto:algorithms@etsi.org)) to obtain the proforma invoice.

**IMPORTANT:** If you require an invoice with your PO number, please send us this information as soon as possible in order to speed up the process.

For a faster service, we recommend a payment via [ETSI WEBstore](#).

Once the payment is received, the "CRUU web form" will be digitally countersigned by a duly authorized ETSI representative. You will then receive an e-mail from "Adobe Sign" with the CRUU web form containing the code(s)/algorithm(s) on the final page.
